The City of Mauldin operates the Ray Hopkins Senior Center for city and area seniors for the purpose of recreation, socialization, and more. Our mission is to involve and inform active senior adults (55 & up) by providing quality programs, services and activities to contribute to each person's mental, physical and social well being by reinforcing the belief that age has no boundaries and that each person has a vital role in their community. To continue serving the community and beyond, numerous improvements are needed to the facility and facility grounds. These planned improvements include a roof replacement, court renovation, walking trail renovation, ADA compliance upgrades, and more. With these improvements the facility will be able to continue serving as a communal hub for seniors of the City of Mauldin and the surround community.
