Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
The funds will be used to create or build an activity room to the Leatherman Senior Center in Florence County	\$250,000.00	The Leatherman Senior Center has limited activity space to meet the demanding needs of senior citizens in Florence County . There is limited space to conduct exercise classes, health fitness, and other relevant activities at the same time. Also, there are times we have to cancel activities when hosting special events and programs. The seniors are complaining and would like this to be resolved. These funds will help us address this issues. Because we are so overcrowded there is always a safety issue that appears at all our events.

The funds will allow us to add a health and wellness room to the Leatherman Senior Center. Adding the new health and wellness activity room will allow seniors to prioritize their health and fitness and ensure a better quality of life. The facility is open to the public and available to all.
